

Table-top Booklet maker

The first truly table top booklet maker for office use in your printer/copier room.

Create professional looking booklets with ease and at a fraction of the cost compared with other binding systems.

Plockmatic BM15 Binder

PLOCKMATIC - YOUR PARTNER IN DOCUMENT FINISHING PRODUCTS

Plockmatic BM 15 Binder

Make professional looking publications in-house, save on printing and paper cost by making your own saddle stapled and folded booklets.

This compact and tabletop unit offers quick and handy production at a rate of 800 booklets per hour and up to 60 pages.

Plockmatic BM15 Binder

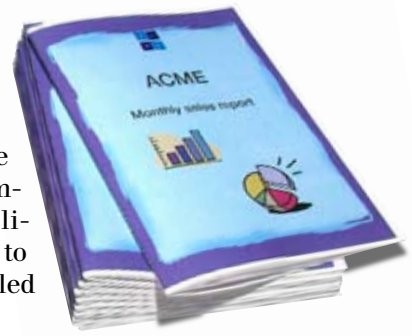

The BM15 is the ideal binder in your office printer/copier room, in the quick print/copier shop - also as a walk up. Select booklet mode on your copier/printer, hit the format button on the BM15 and start making your own booklets. It's easy, it's quick and it's cost effective.

Appealing & Cost Efficient

Saddle stapled & folded booklets are more manageable and enhance the impact of your publications compared to corner or side-stapled documents.

Save 75% on your paper cost and 50% on prints (clicks). Moreover, compared with thermal binders, comb binders, spiral binders and such, the output is fabulous, there is no warm up time, no odours and no expensive covers.

Easy to Manage

Small or large size booklets, manually or auto operated, booklet making or just folding - touch a button and you're set to go.
